

### **REMARKS/DISCUSSION OF ISSUES**

By this Amendment, Applicants amend claims 1-7 and add new claims 8-13. Accordingly, claims 1-13 are pending in the application.

Applicants thank the Examiner for acknowledging the claim for priority and receipt of certified copies of all the priority documents, and for indicating that the drawings are acceptable.

Reexamination and reconsideration are respectfully requested in view of the following Remarks.

### **35 U.S.C. § 102**

The Examiner rejects claim 1-7 under 35 U.S.C. § 102 over Yuen et al. U.S. Patent Application Publication 2005/0008333 ("Yuen").

Applicants respectfully submit that claims 1-7 are patentable over Yuen for at least the following reasons.

#### **Claim 1**

Among other things, the method of claim 1 includes: (1) establishing a communication connection between a control device and a remote server; (2) communicating to the remote server an indication of the plurality of sources that are available to supply content to the audio/video device; and (3) receiving at the control device from the remote server respective representations of respective ones of the sources for being rendered at a user interface of the control device.

Applicants respectfully submit that Yuen does not disclose this combination of features.

Accordingly, for at least these reasons, Applicants respectfully submit that claim 1 is patentable over Yuen.

#### **Claims 2-7**

Claims 2-7 depend from claim 1 and are deemed patentable over Yuen for at least the reasons set forth above with respect to claim 1.

**NEW CLAIMS 8-13**

New claims 8-13 all depend from claim 1 and are deemed patentable for at least the reasons set forth above with respect to claim 1, and for the various novel features recited therein.

**CONCLUSION**

In view of the foregoing explanations, Applicants respectfully request that the Examiner reconsider and reexamine the present application, allow claims 1-13 and pass the application to issue. In the event that there are any outstanding matters remaining in the present application, the Examiner is invited to contact Kenneth D. Springer (Reg. No. 39,843) at (571) 283.0720 to discuss these matters.

Respectfully submitted,

VOLENTINE & WHITT
